

International Plaza, Toyama Prefectural Library

●Foreign Books

There are wide variety of foreign books from various fields such as History, Geography, Social Science, Natural Science, Art, Linguistic and Literature. Hottest books and best sellers are also available. Books from China, Korea and Russia are also found here. If you would like to borrow those books in this corner, please ask for the checkout desk on the first floor.

●Window of Shanghai

In order to promote study of China's history and culture, the Shanghai Library has presented us with 400 books. If you are interested in borrowing any of these books, bring them to the checkout desk on the first floor.

●Foreign Magazines and Newspapers

Magazines: Time (U.S.A.), The Economist (U.K.),

Renmin Huabao (China), KOREA TODAY (Korea), etc.

Newspapers: The New York Times WEEKLY REVIEW (U.S.A),

The Japan News(Japan), Liaoning Ribao (China), etc.

●Guide books and Governmental Publications

Various kinds of foreign language brochures and pamphlets published in Toyama are available here. Tourism guides and maps, living guide, city manuals, and other useful information for foreign residents and visitors are also available.

●NOWPAP Materials

Those materials are donated by NOWPAP RCU Toyama Office of UNEP. Most of them are environment-related materials written in English. If you would like to borrow those books in this corner, please ask for the checkout desk on the first floor.
